

*"Local. Seasonal. Organic." -- that isn't just "talk" over here at Back 40 Kitchen...*

We are thrilled to be recognized by our friends over at OmNomCT for exactly what we take the most pride in. Thank you for naming us

**BEST FARM-TO-TABLE**  
and  
**BEST NEW RESTAURANT**  
in Fairfield Cty!!

OmNomCt:

"It might not be a surprise that the same winner of Best Farm to Table is also our choice for Best New Restaurant of 2015. Well, we have so many great things to say about Chef George DeMarsico. His flavors are rich, bold, and he manages to make the most of the freshest ingredients around. Another thing that amazed us about Back 40 Kitchen is how most of the food prepared (except for the buns) is naturally gluten-free!"

"Something that makes a meal better is knowing that it came from just a few miles away -- and that's definitely the case with Back 40 Kitchen, a new restaurant that opened in Greenwich. At Back 40 they take their farm to table moniker very seriously, actually sourcing a large amount of ingredients from their own farm in Washington, CT. And what they don't get from their own farm, they get from other local purveyors and farms. The best part is the way all of these quality, local ingredients come together so perfectly on their menu, on your plate, and on your tongue!"
